Covert Operations*

Danger Son was a Secret Agent in the Revolutionary War of the 13 Colonies.

A hero with a turbulent past, He has endured much. In one battle where he was too sure of himself, He was struck by an unexpected blow that left his face disfigured. Ever since, he has been very careful not to leave any loose ends. He Travels through time to Protect Liberty for all of the people.

THE SOUND OF MACHINES AND THE SCREAMS OF MEN CAN BE HEARD IN THE DARK FORESTS THAT SURROUND THIS STRANGE CLOCKWORK COLONY.

<we will use the black powder on these things>

<they are metal-men>

<strange magic>

It was against the Moon tribes suggestion, but the Colonial soldier scout was heading back to General Washington's Camp at Valley Forge. I was going to go with him to Explain the Urgency of this Situation . If Winston AllDark should Get these new Clockwork Soldiers to the British... it could turn the Tide of the WAR!

This Abomination had to be Destroyed.

Washington should be able to stop this.

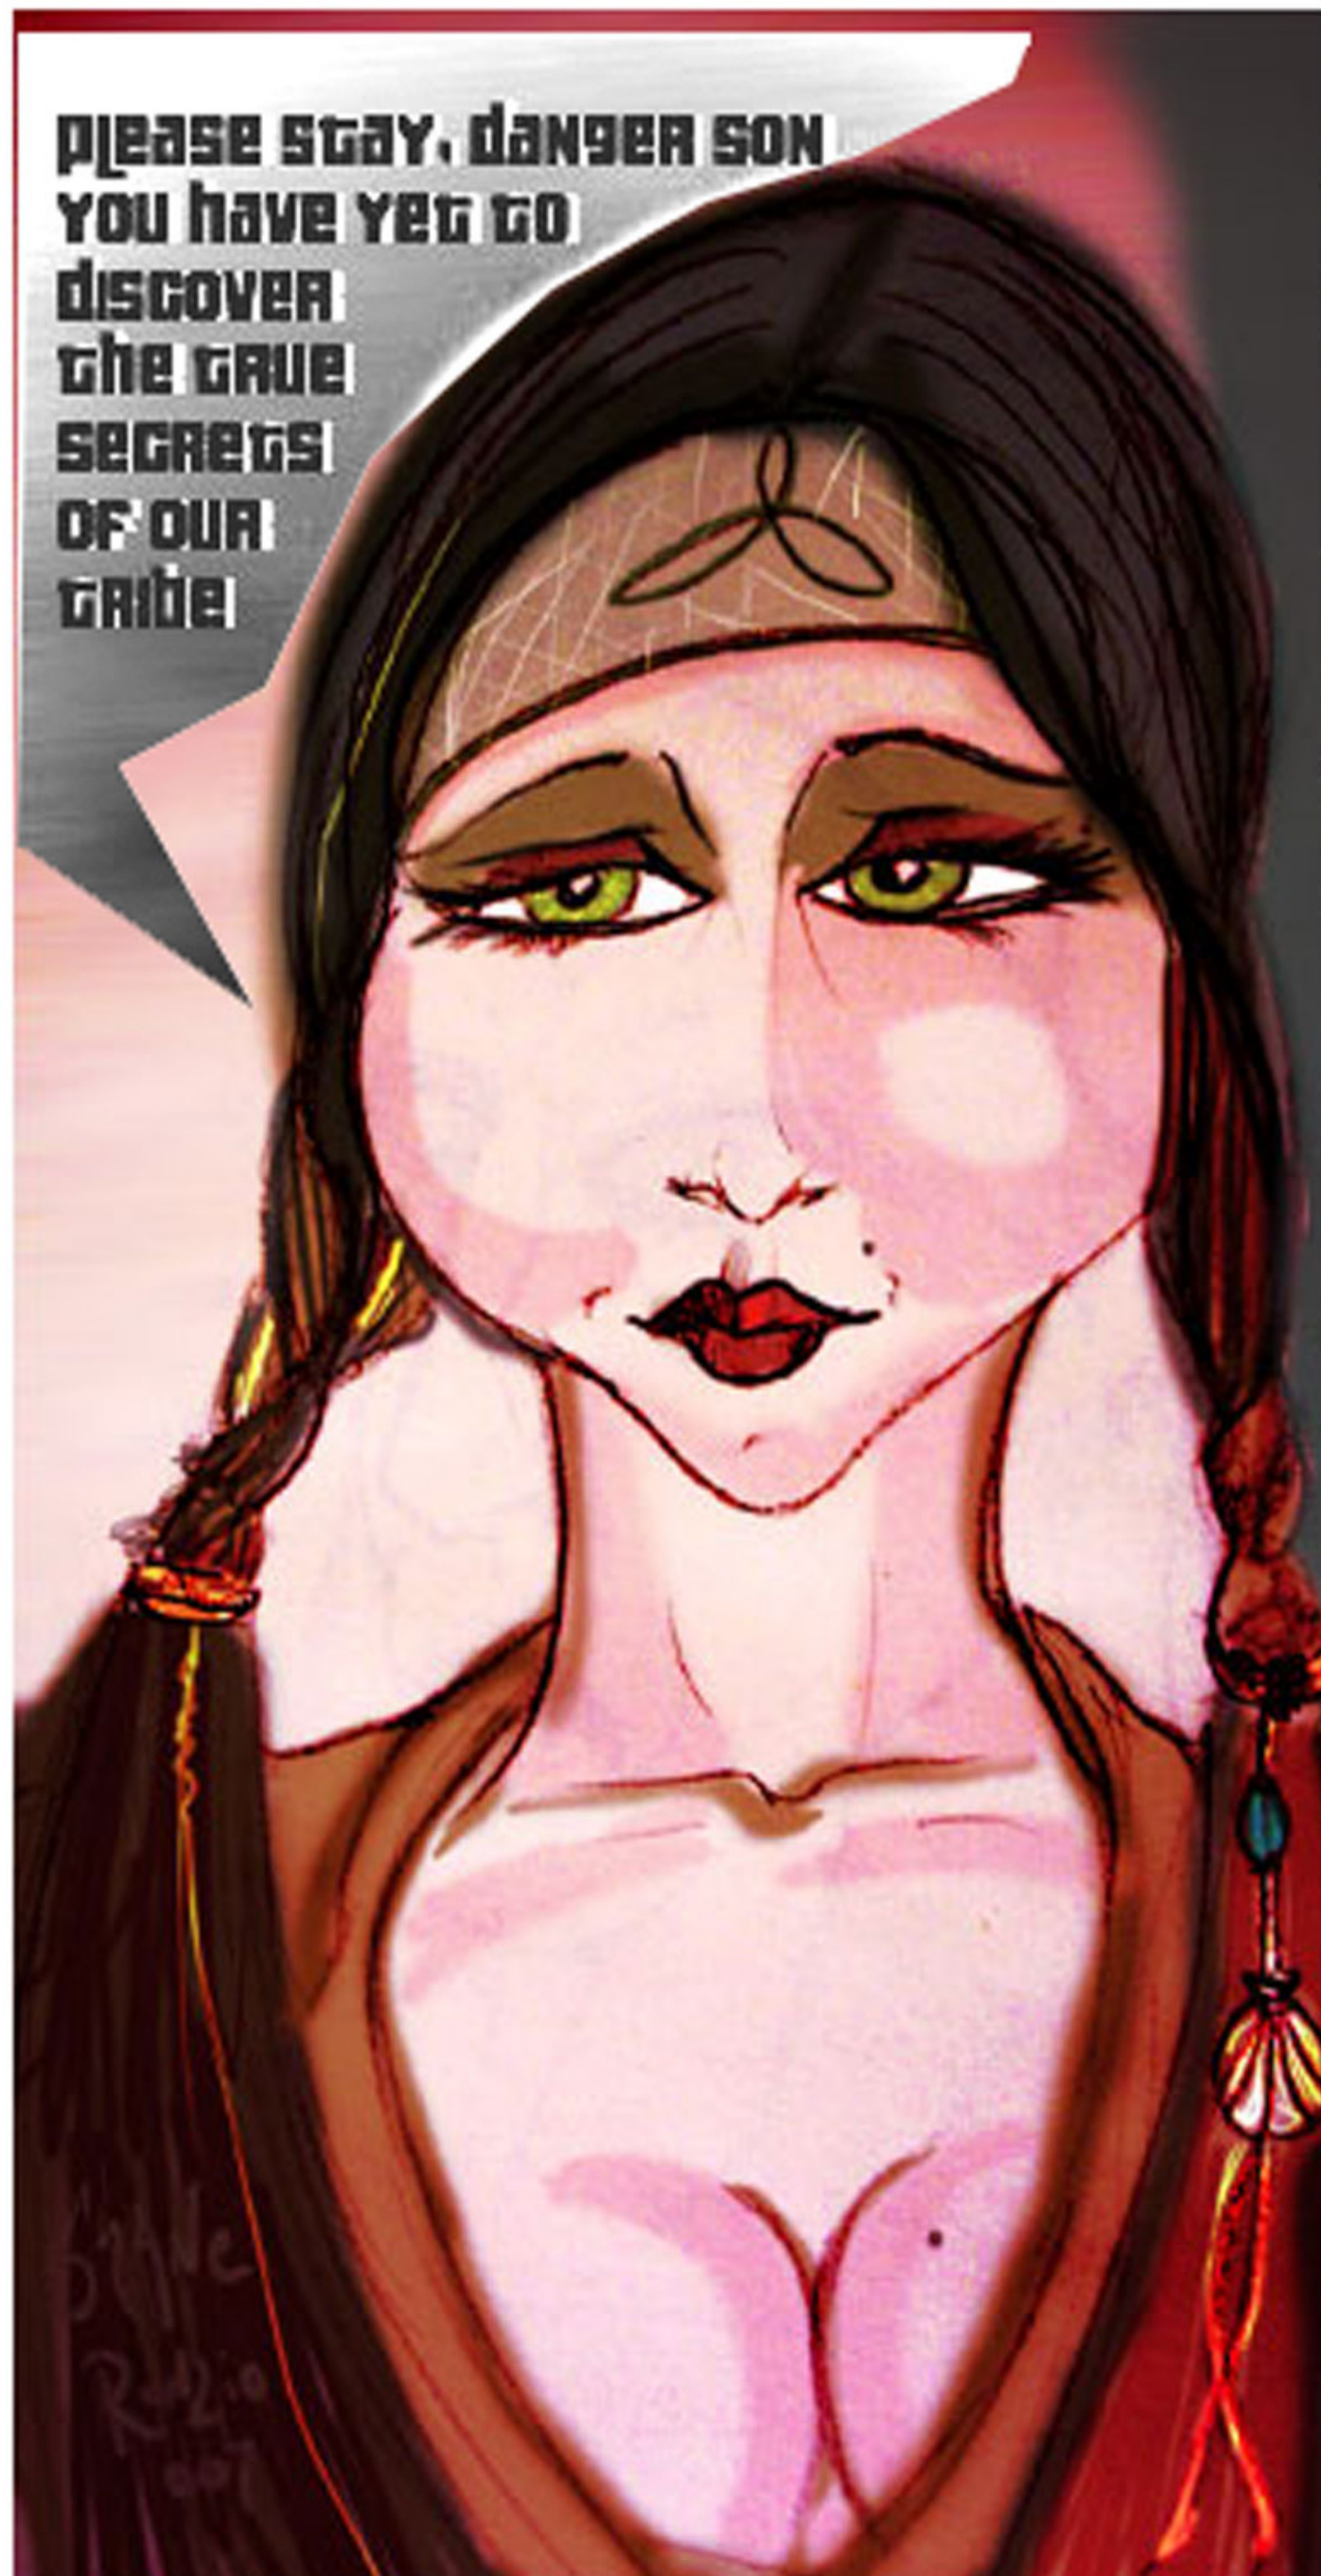

SO, THEN... WE GO.

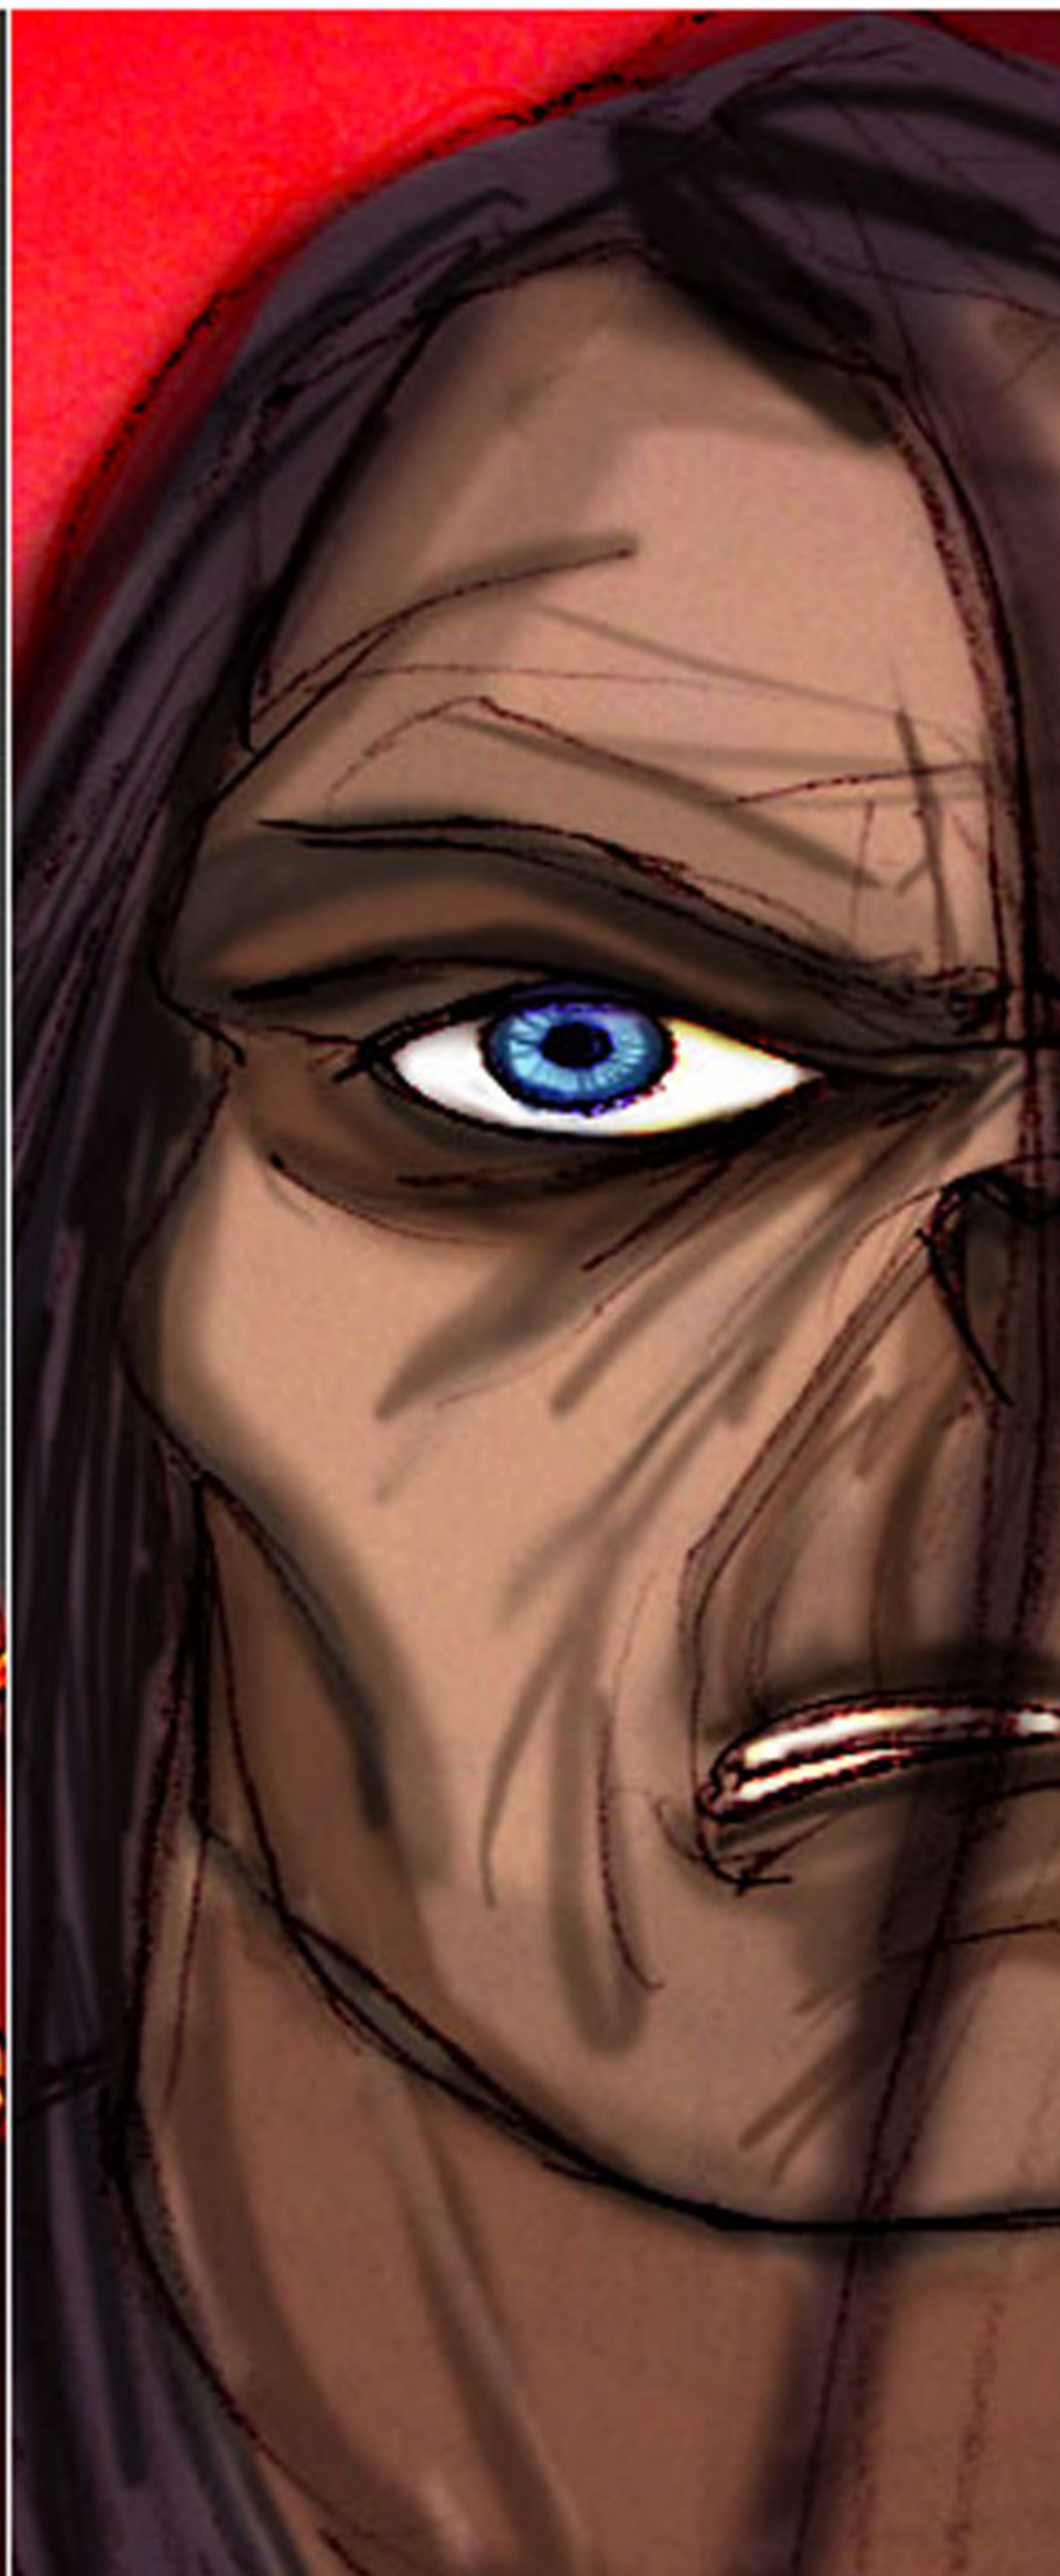

DANGER SON, I MUST INFORM YOU... IF YOU LEAVE OUR CAMP, I CAN NO LONGER PROTECT YOU FROM THE SORGERY OF DARKNESS THAT EMINATES FROM THIS STRANGE VALLEY TOWN. I IMPLORE YOU TO STAY. OTHER TRIBES TONIGHT WILL ARRIVE, THEY HAVE RAILED TO OUR CAUSE. WE, TOGETHER, AS A UNITED TRIBE CAN OVERTHROW THY ENEMY...HIGH HASTE! LET THE CONTINENTAL SCOUT GO ALONE... HE WILL BE FASTER AND PERHAPS HE CAN REACH YOUR WHITE CHIEF AND MAYBE WE CAN WAIT A WHILE FOR THIER WARRIORS TO ARRIVE AS WELL. MY DREAMS GUIDE ME TO BELIEVE THAT THIS CLOCKWORK COLONY MUST NOT BE UNDERESTIMATED!

PLEASE STAY. DANGER SON
YOU HAVE YET TO
DISCOVER
THE TRUE
SECRETS
OF OUR
TRIBE

I OWE YOU ALL FOR SAVING MY
LIFE, HOWEVER, IT IS STILL
MY LIFE.
CARRY FORWARD WITH
THE ATTACK STRATEGY
I HAVE TO GO BACK
AND SPEAK WITH MY
PEOPLE ABOUT THIS
SITUATION. AS FAR AS SPEED ...
THE SCOUT WILL HAVE TO KEEP
UP WITH ME. SINCE YOU HAVE
HEALED ME, I HAVE SPEED LIKE
NEVER BEFORE.
I WILL RETURN IN A FORT NIGHT
YOU HAVE MY WORD AS A
WARRIOR.

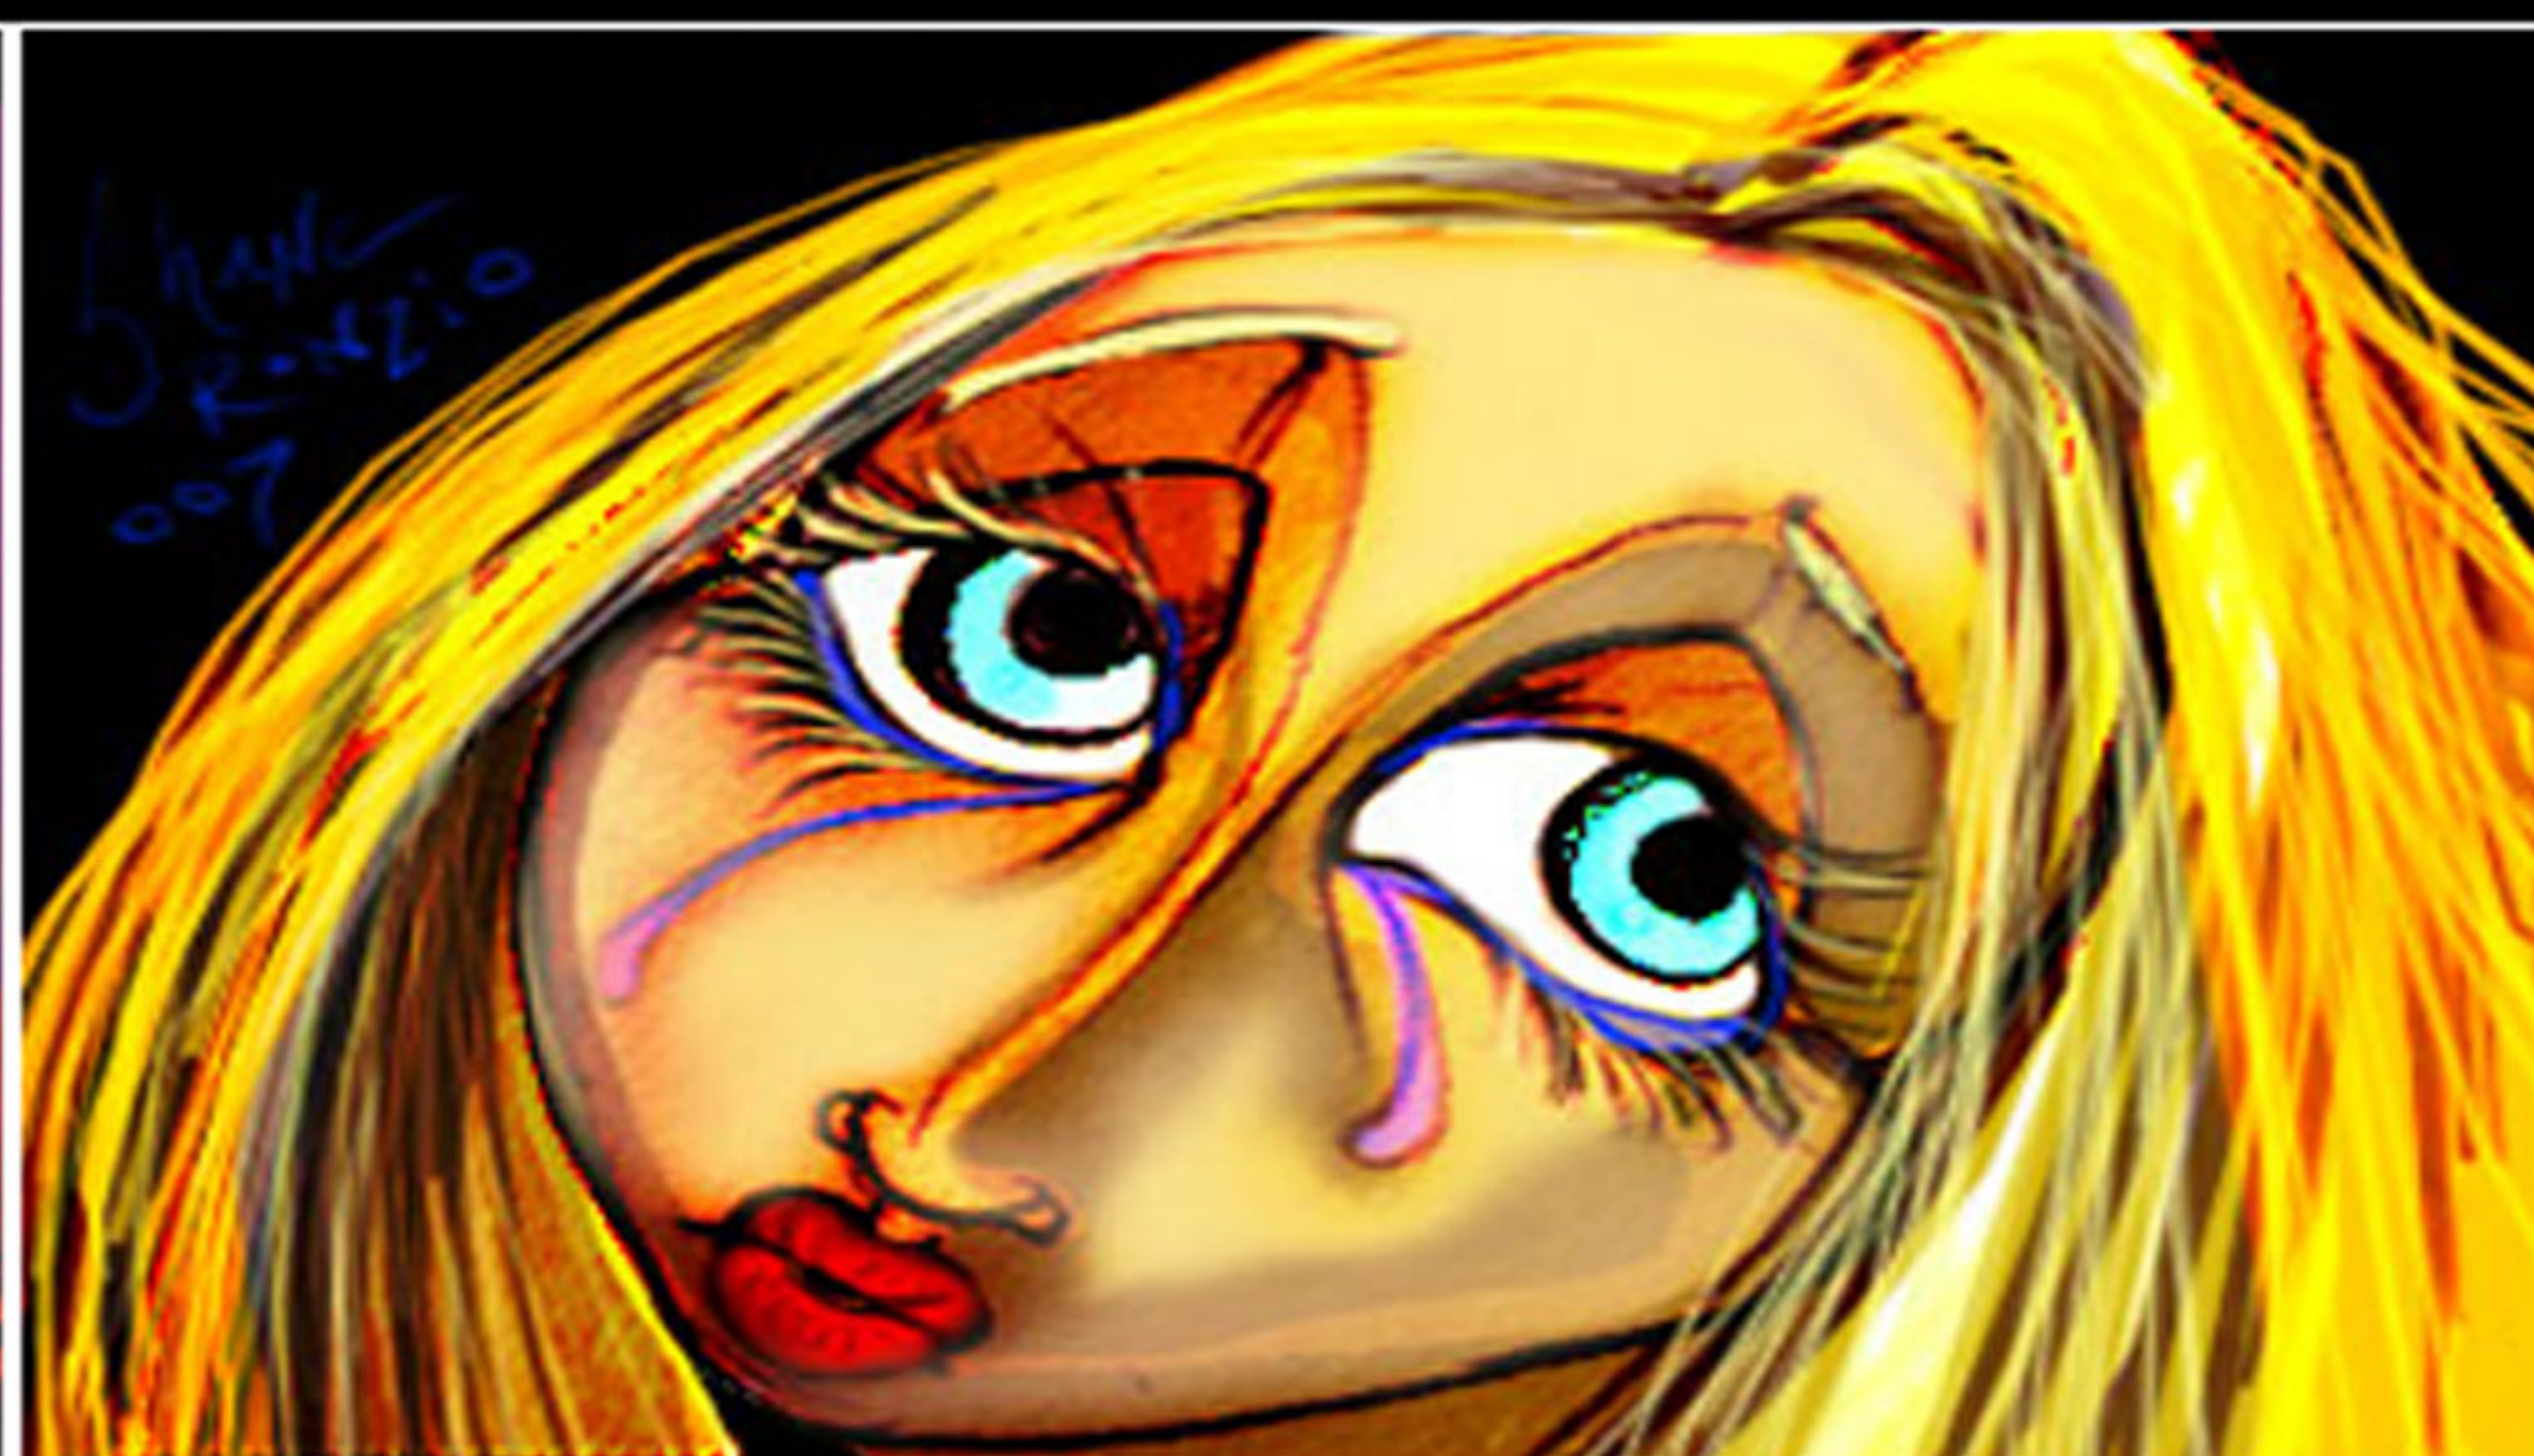

AND SO, WE SET OUT. I RACED LIKE NEVER
BEFORE AND MUCH GROUND WAS COVERED.

Moving on a steady
eastward course, we
stumbled upon an
overturned wagon.
Down the hillside, a
woman's voice calls
out for help.
Such a fragile and helpless
cry...I had to stop~

George Washington and the Continental Marines

DEAREST MARTHA~

*Never in all my days on Horse Back Have I seen such A mad thing Like
This Battle Before Me!*

It all got a Damn Sight Weird By Dawns Early Light.

IS THIS THE
SIGN TO
ATTACK?

IT IS TIME TO COUNTE COUP, MY BROTHER!

The Moon Tribe Chief then
fired the sacred WAR ARROW.
This would signal all of the
assembled tribes to attack.

AllDark's works went up in smoke as the Battle raged into the streets.

Let's back up to what happened on the road

ALLDARK STOOD THERE WITH THAT WILD LOOK IN HIS EYES FOR WHAT SEEMED LIKE FOREVER... HE DIDN'T BREATHE. DID THE GUY ACTUALLY THINK FOR A SECOND THAT I COULD BE BOUGHT?

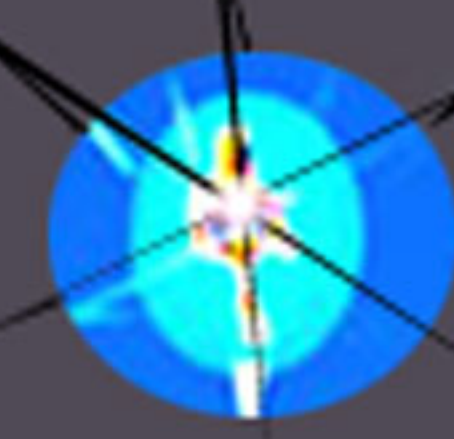

DID THIS GUY ACTUALLY THINK FOR A SECOND THAT FOR WANDA'S HONOR, I DID CONSIDER THIS, AND THEN AGAIN, HAD SHE SHOWN ME THAT SHE HAS ANY SENSE OF HONOR? PLAYING HER GAME LIKE THIS...

PLAYING HER GAME LIKE THIS... THEN I NOTICED THAT THE WIND HAD STOPED AND THE BIRDS AND BUGS BECAME SILENT. I COULD NO LONGER HEAR THE STREAM AND DOWN THE WAY...AS IF THE WATER HAD GONE AWAY.

SILENT, AND I COULD NO LONGER HEAR THE STREAM EVEN THE CLOUDS ABOVE DID NOT MOVE. IT WAS AS IF I WERE NOW, STANDING IN A PAINTING.

EVEN THE CLOUDS ABOVE DID NOT MOVE IT WAS AS IF HAD WINSTON ALLDARK SHOT THE GUN? WAS I DEAD?

JUST THEN, A TINY BALL OF LIGHT CAUGHT MY EYE... MY EYE...

INSTRUCTIONS: WEAR LIKE BACKPACK
PUSH RED BUTTON
FOLLOW THE BALL OF LIGHT
SIGNED
MAXIMUS

THIS MUST BE THE RED BUTTON

CONSIDERING MY OPTIONS BACK ON THE ROAD, THIS WAS THE ONLY LOGICAL DECISION. EVEN THOUGH TIME STOPPING AND A STRANGE ORB GUIDING ME ACROSS THE CLOUDS WHILST BEING PROPELLED BY THIS LONG BURNING CANNON BARRELL...DEFIES ALL LOGIC! MAXIMUS WAS THAT STRANGER ON THE LADY ABBYGAIL!

FOLLOW THE BALL OF LIGHT!

EXCELLENT!
RIGHT ON
SCHEDULE!

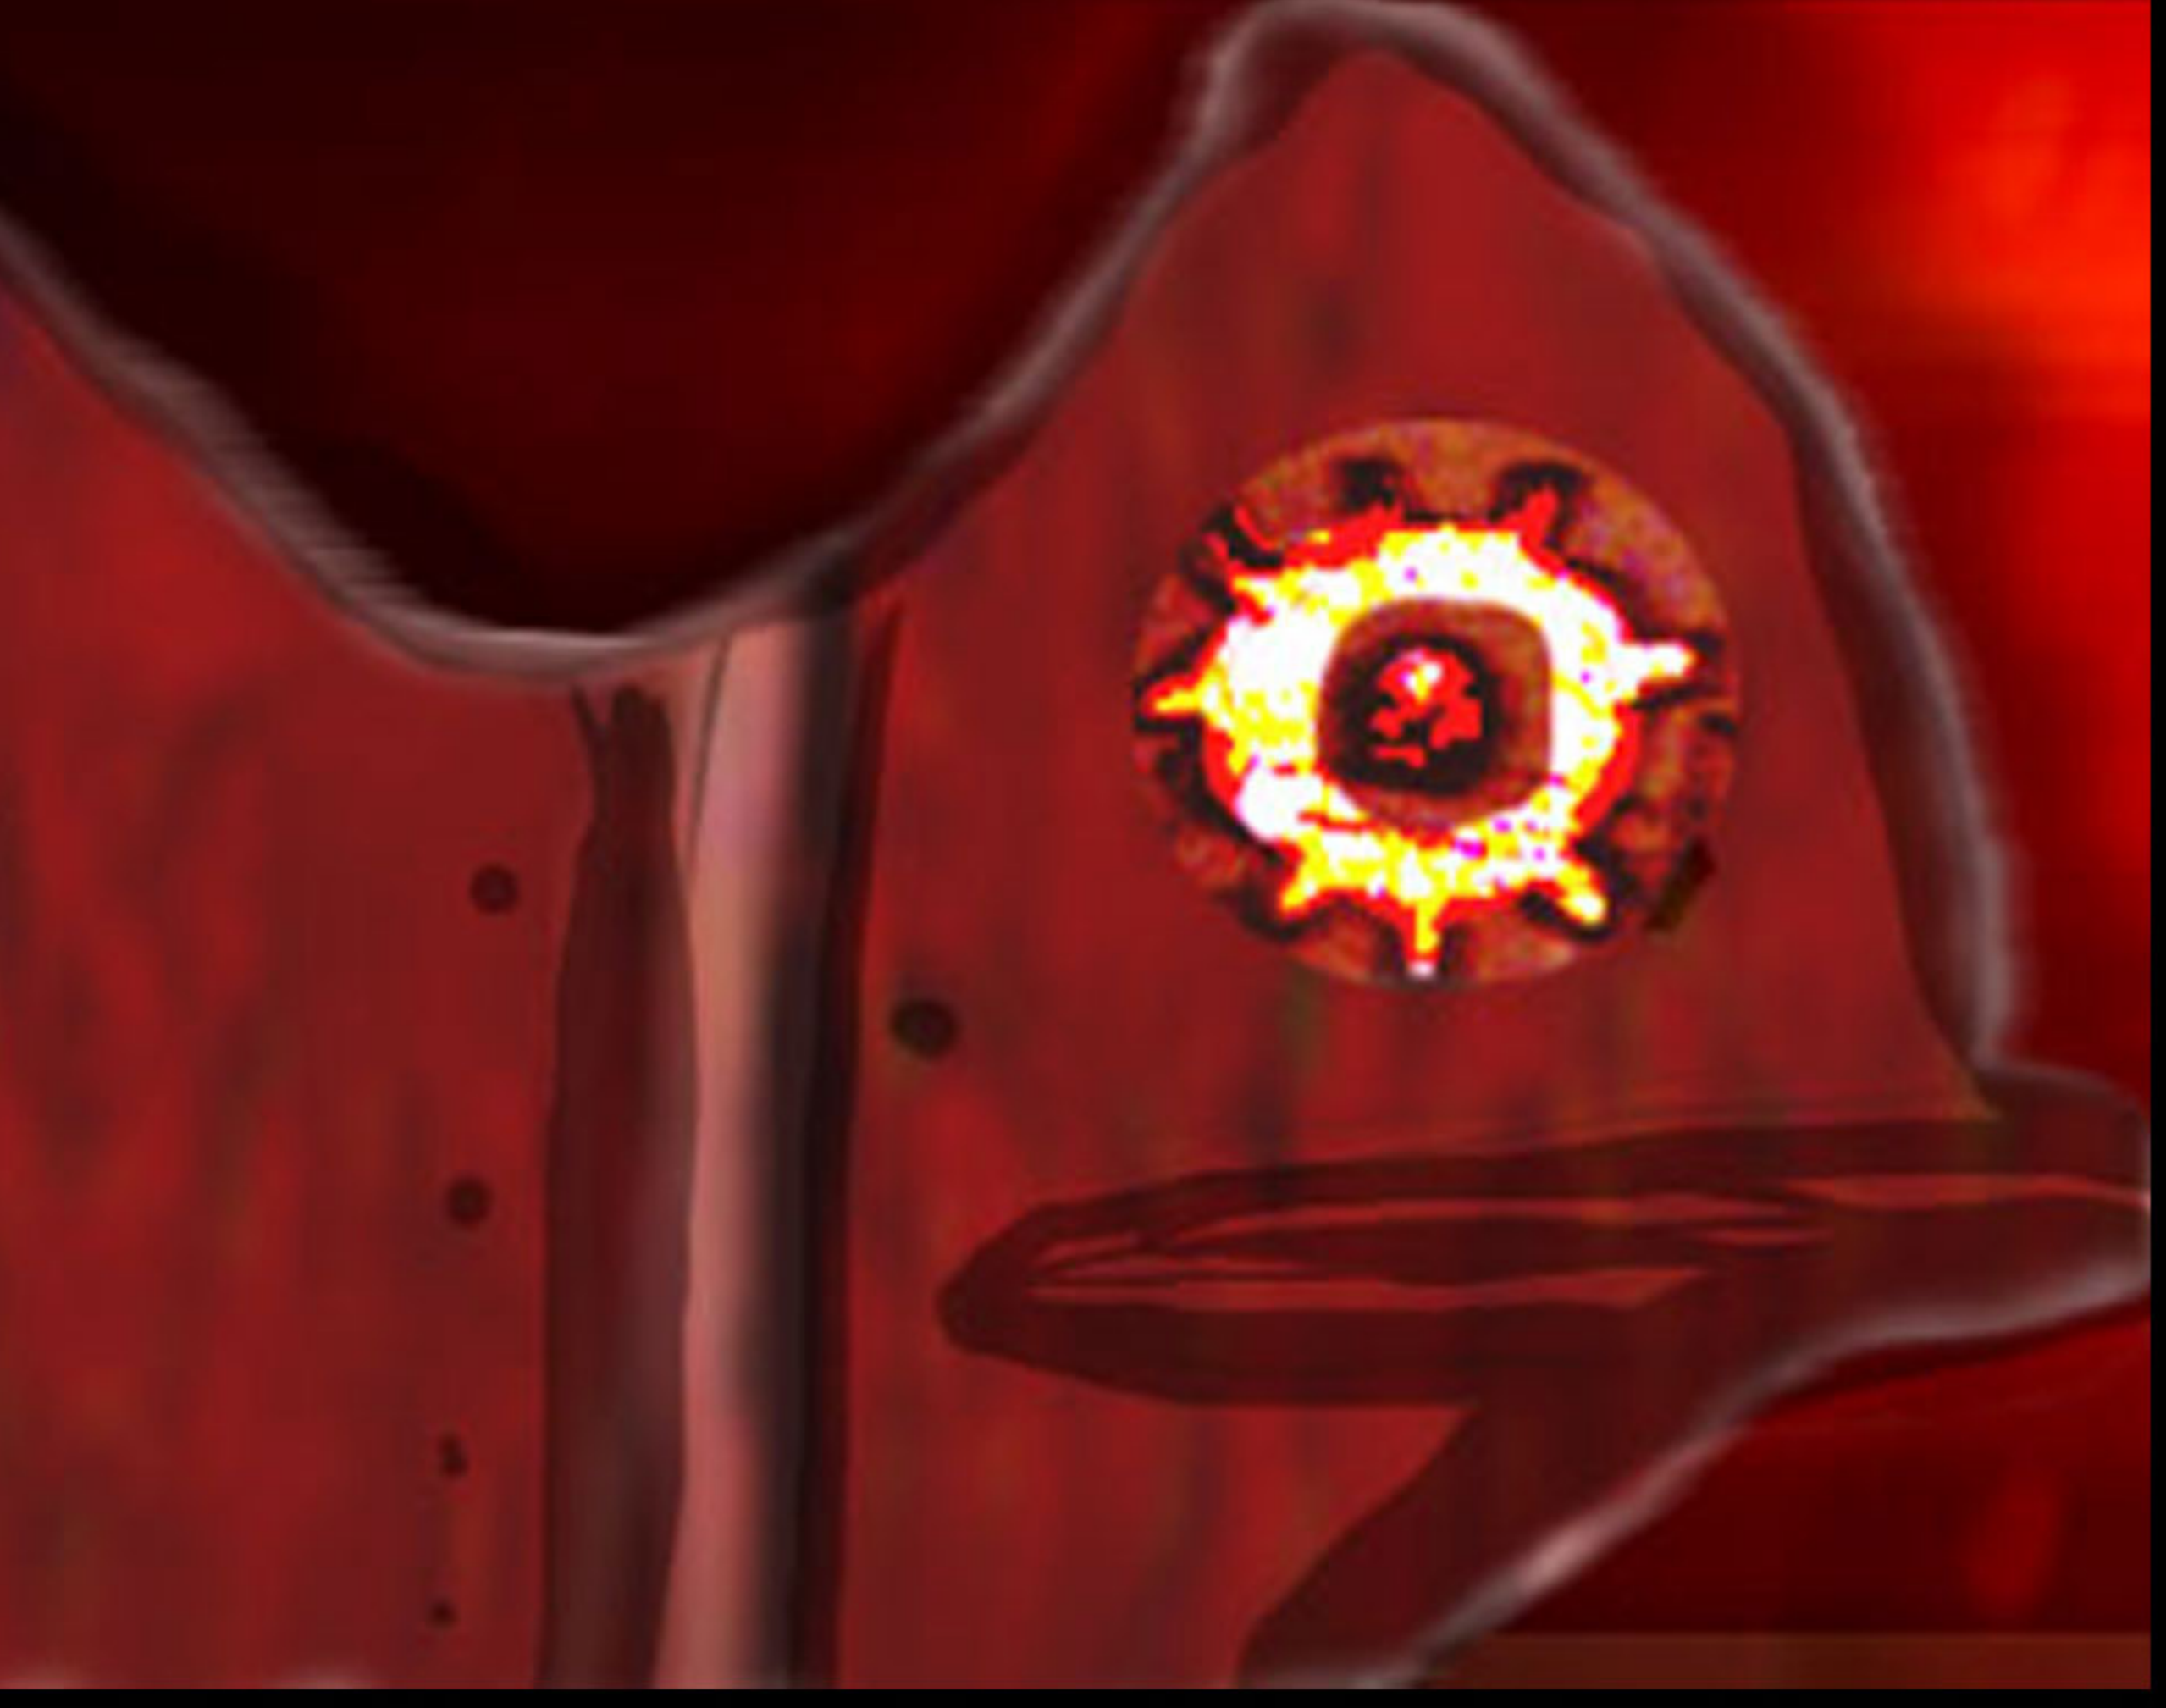

Soon I discovered that Maximus, the man from the Lady Abby Gail had been coordinating a strike on this AllDark Person. He had also intercepted the Native scout and gathered Washington and his Continental Marines, Maximus said that the most vital part of the attack was to drop a disspell Magic bomb on the evil little town...
